The Board observes that stocks of foodgrains have not been built up in Mangalore or in any ~~of~~ ~~the~~ other town in the South Kanara district in which rationing is to be introduced shortly. The purchase of stocks is at present left to the District Wholesale Cooperative Stores. They get as much assistance as possible from the local Revenue Officials, but this does not amount to much. The Board therefore considers it necessary to have a grain purchase officer for the district who should be made responsible for ensuring regular supplies from important towns of the district. It is important to get this done as quickly as possible before supplies get underground. The Officer proposed may be of the grade of a Tahsildar and he may be designated as "Procurement Tahsildar." The Board requests that sanction may be accorded for the post of one Tahsildar, 1 L.D. clerk and two peons for the South Kanara district for the procurement work. This staff may be sanctioned for the period up to 31-3-45 or until the necessity for the employment ceases whichever is earlier.

2. The cost of the Establishment would work up to Rs.3500 roughly for 12 months. Application for funds to meet the expenditure

in 1944-45 will be made in due course.

3. The Expenditure may be debited to 64.B Civil Defence Section IV. Expenditure wholly borne by Provincial Government . C.Misc A.Establishment for Price Control - 1 Board of Revenue II Pay of Establishment.

ns. (Draft at pp 1-2 above for approval)

Please the Bds reference at pp 1-2 cf. The Bd suggests that the Spl Tahsildar be designated as "Procurement Tahsildar". Similar Tahsildars of Madras, Travancore etc, are designated as 'Grain Purchase Tahsildar'. Subject to orders, the latter designation has been adopted ~~In the present case it is not clearly known what exactly~~ in the draft, for the sake of uniformity ~~are the duties of the 'Procurement' Tahsildar. It may be that he will not actually purchase foodgrains. like the Agri. Purchase Assts. Finally a Controller~~ ~~The Bds wording has been embodied in the draft~~

2. The staff proposed for the Bd obviously has to ~~be found~~ touring work. They may be allowed to draw T.A. under the H.T.A. Rules. Such a provision has been included in the draft order though the Board makes no mention ~~about this~~ of this.

3. The draft order may be sent to Rev and finance for acceptance.
